vernment, Public Works Department, dated Madras, 1st September 1864, No. 1,023:—

In forwarding the Bills for the works
noted in the margin, executed in the Malabar
District for the year 1862-63, I have the
honor to state that as the Superintending
Engineer, 7th Division, declares the works to
be very imperfectly done and that no Inspec-
tion Reports or Certificates can be got, it

appears to me proper to submit the Bills to Government, with reference to Chapter VI, para-
graph 13 of the new Code, together with a letter from Mr. Smith, Executive Engineer, on the
subject.

No. 192. ORDER THEREON, 12th September 1864, No. 2,621.

From Mr. Executive Engineer Smith's letter, forwarded with that recorded above, the
Government are led to infer that the works, for which two Bills are now submitted by the
Controller, were executed under the orders of Major Syme. That Officer, however, having
died on the 29th July last, the Government have no alternative but to authorize the Controller
to pass the charges.
