*Proceedings of the Madras Government, Financial Railway
Department, 6h September 1864.*

Read the following papers:—

No. 31. Proceedings of Government in the Public Works Department.

Communicating for consideration a suggestion
to combine a road and Railway bridge at
each of the crossings of the Ambravutty and
Noyel rivers, on the Great Southern of India
Railway. (Dated 26th August 1864, No. 2463.)

No. 32. From Lieutenant Colonel P. P. L. O'CONNELL, R. E., Consulting Engineer for
Railways; to J. D. SIM, Esq., Secretary to Government, Fort Saint George, dated
Madras, 31st August 1864, No. 482.

I have the honor to state, with reference to paragraph 2 of the Proceedings of Government in
the Public Works Department, of the 26th instant, No. 2463, that the Railway authorities have
always been opposed to a road for public traffic being combined with any of their bridges; and
in reference to the crossing of the Ambravutty and Noyel rivers, the bridges will be wrought
iron girder ones, adapted for a single line of Railway only.

2. I have already given my general approval to the design of the bridge proposed for the
river Ambravutty.

No. 33. ORDER THEREON, 6th September 1864, No. 570.

Ordered that a copy of the Consulting Engineer's letter be furnished to the Public Works
Department, with reference to the Proceedings of that Department above recorded.
