*Proceedings of the Madras Government, Public Works Department,
25th January 1864.*

No. 540. Read the following letter from Lieutenant-Colonel O. W. S. CHAMBERS, R. E.,
Superintending Engineer, 1st Division, to Colonel C. A. ORR, R. E., Secretary to
Government, Department Public Works, dated Waltair, 7th January 1864, No. 2,021 :—
Sir,

Referring to paragraph 2 of G. O. No. 3,609 of 7th December 1863, I do myself the honor
of stating that the authority under which Captain Blgrave ordered the piping in question is
not apparent from the records of the late Vizagapatam District Office, and that these pipes
could be used for small sluices of irrigation works if their cost be reduced to one-fourth of
what it is now.

No. 541. ORDER THEREON, 25th January 1864, No. 268.

The value of the pipes referred to in this letter is entered at Rupees 570 in the Store
Accounts of the Vizagapatam District. The Superintending Engineer recommends that they
may be used for small sluices of irrigation works and be charged for at one-fourth of that value.
The Governor in Council sanctions the arrangement and grants authority for the difference being
written off to "profit and loss."

(True Extract.)

Secretary to Government.
