*Proceedings of the Madras Government, Public Works Department,
15th September 1864.*

No. 332. Read the following letter from Captain F. J. MOBERLY, R. E., Superintending Engineer, 8th Division, to Colonel C. A. ORR, R. E., Secretary to Government, Department Public Works, dated Camp Kodakanel, 27th August 1864, No. 960:—

SIR,

1. In reply to Memorandum No. 98, 20th instant, I have the honor to report that the completion of the school-house at Dindigul was reported to the Deputy Inspector of Schools on the 1st July 1864.

2. That gentleman however declined to issue any orders regarding its being taken over until he was informed by the local Educational Officers that the work was quite dry. I have not yet heard that he has been satisfied on this point, as he does not appear to consider my certificate of any value.

3. In consequence of this the commencement of the jail work has been delayed, but Lieutenant Coningham has been enabled lately to commence this work on parts of the building vacated for the purpose by the school.

No. 333. ORDER THEREON, 15th September 1864, No. 2,688,

1. Paragraphs 1 and 2 will be communicated to the Educational Department, with a view to the local Educational Officers being instructed to take over the school-house at Dindigul.

2. The Superintending Engineer, 8th Division, will be requested to arrange for the early completion of the subsidiary Jail at that Station.

My dear Newart

In the order of
Govt. in the judicial depart-
ment, under date 5th April last
recorded in the P. W. proceedings
of the 12th idem No. 1043, sanction
was given for converting the
Lower Barracks at Dindigul

him by the Asst. Engineer
in charge of the range, that
there is no immediate
prospect of the work being
completed, (indeed it seems
doubtful whether it has been
begun) in consequence of
of the Master of the Talang
School, having refused to
vacate it.

Will you kindly ascertain
for me whether any money
has been spent on the
proposed jail, for if not
it seems doubtful whether

it is now worth while to
proceed with the work.
Will you also please ascertain
how it is that the school
is still held in this building
the erection of a schoolhouse
having been sanctioned
so far back as the 2^d June
1860. See Proceedings in
the Judicial Dept. 3^d Sept
1863. No. 1423, and other
correspondence on the same
subject. When we

My dear Stewart
I return
Captain Mobley's letter
Please communicate it to
the Educational Department
in order that the Schoolmaster
may be directed to take over
the building at once. I think
the jail work had better
move and Mobley might
