*Proceedings of the Madras Government, Public Works Department,
15th September 1864.*

No. 334. Read the following letter from Lieutenant-Colonel J. C. ANDERSON, R. E.,
Superintending Engineer, 2nd Division, to Colonel C. A. ORR, R. E., Secretary to
Government, Department Public Works, dated Masulipatam, 31st August 1864,
No. 68 :—

SIR,

Referring to G. O. No. 175, dated 18th January 1864, I have the honor to report that the
portion of the proposed line of road from the Railway at Tripputty to Naidoopett in Nellore is
within the limits of the 4th Division, excepting for a distance of about three miles. As this portion
of the line must be aligned with reference to that in 4th Division, it would serve no purpose
to submit an estimate until one from the latter is prepared, I propose to refer to Colonel Boileau
on the subject. I anticipate, however, that works have already been sanctioned considerably in
excess of the probable amount available for expenditure in the current and ensuing official years.

No. 335. ORDER THEREON, 15th September 1864, No. 2,689.

The Government observe that estimates amounting to Rupees 28,750, for the improvement
of the road from Tripputty to the Railway station, and thence to Calastry, were sanctioned for
entry in the Budget of 1865-66, the estimates still due are therefore for the portion between
Calastry and Naidoopett.
