PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following papers :—

Memorandum from the Quarter Master General, Head Quarters, Ootacamund, 31st August 1864,
No. ³⁰¹8061, to the Secretary to Government, Military Department, Fort Saint George.

Forwarded to Government. The Commander-in-Chief recommends that the Building be dismantled and materials sold.

From the Officer Commanding Southern Division, Head Quarters, Southern Division, Trichinopoly,
25th August 1864, No. 356; to the Quarter Master General, Ootacamund.

I have the honor to state, that the Officer Commanding Quilon has, on the recommendation of the Sanitary Officer, requested permission to have removed the Southern side of the quadrangle of the Artillery Barracks at that Station, No. 8 on the Return, which is in a ruined state, the roof having fallen in, in May 1863.

2. At the same time he submits an Estimate of Rupees 470 for repairing other portions of these Barracks, which he states are required for no other purpose than to be occupied by Drummers of the 17th Regiment Native Infantry, and that they are in fair order.

3. The District Engineer, Tinnevely in 1859, suggested that these Barracks should be condemned and the materials sold—as he did not think it worth the while of Government to spend Rupees 1,319, then estimated, to be the cost of emergent repairs only to the Buildings, and not for putting them in thorough order.

4. As I do not suppose Government will go to the expense of repairing the Buildings simply for the convenience of persons not entitled to public Quarters, I shall be obliged if you will favor me with instructions in the matter.

ORDER, No. 3174, 8th September 1864.

Sanctioned as requested.
