*Proceedings of the Madras Government, Public Works Department,
20th September 1864.*

Read the following papers :—

No. 445. From Colonel A. J. M. BOILEAU, R. E., Superintending Engineer, 4th Division, to Colonel C. A. ORR, R. E., Secretary to Government, Public Works Department, dated 27th August 1864, No. 2,423.

SIR,

1. The only portion of the coast canal in the second Division is that, twelve miles in length, between Roydoor and Doogarazpatam. All the rest is in the fourth Division, but much trouble and inconvenience would be avoided if the entire length was attached to the latter Division, as the Executive Engineer in charge would then have only one set of accounts to furnish instead of two, as at present, and only one Officer to indent upon for funds for expenditure on the works.

2. Mr. Kennedy previous to proceeding to Europe on sick leave strongly recommended such an arrangement, and Mr. Fraser is now equally anxious that it should be carried into effect, particularly as a large outlay is contemplated in connection with the extension of the canal northwards.

3. Under these circumstances, I have the honor to request that orders may be issued authorizing the entire length of canal as far as Doogarazpatam and eventually Kistnapatam, being attached as a matter of account to the fourth Division.

Referred to the Superintending Engineer, 2nd Division, for report as to whether he has any objection to the arrangement proposed by the Superintending Engineer, 4th Division.

CHEPAUK,
30th August 1864.

Deputy Secretary to Government, P.W.D.

No. 446. From Lieutenant-Colonel J. C. ANDERSON, R. E., Superintending Engineer, 2nd Division, to Colonel C. A. ORR, R. E., Secretary to Government, Department Public Works, dated Masulipatam, 8th September 1864, No. 73.

SIR,

* Herewith returned as requested.

In reply to your Memorandum dated 30th ultimo,* I have the honor to report that there can be no objection to the transfer of the portion of the East Coast Canal between Doogarazpatam and Kistnapatam to the fourth Division, as the work is entirely isolated from the other works in the Nellore District.

No. 447. ORDER THEREON, 20th September 1864, No. 2,733.

1. Under the circumstances represented in the papers recorded above, the Governor in Council sanctions the transfer, from the second to the fourth Division, of the portion of the East Coast Canal lying between Roydoor and Doogarazpatam in the Nellore District.

2. On the extension of the canal from Doogarazpatam to Kistnapatam, that portion will also be attached to the 4th Division.
