*Proceedings of the Madras Government, Public Works Department,
21st September 1864.*

No. 473. Read the following letter from Lieutenant-Colonel C. V. WILKIESON, R. E.,
Controller of Public Works Accounts, to Colonel C. A. ORR, R. E., Secretary to
Government, Public Works Department, dated Madras, 15th September 1864,
No. 1,132 :—

SIR,

In the list attached to the Proceedings of Government dated 13th May 1864, No. 1,400,
the work of "Metalling Trunk Road No. 4,
^{1 Letter from the Superintending Engineer, 7th Division, dated 9th September 1864, No. 61.} from Cannanore to the Coorg frontier" has
been placed under restriction. The Superin-
tending Engineer, 7th Division, was informed by this Office that no expenditure should be
incurred on the above work until the restriction is removed. Lieutenant-Colonel Walker
apparently considers the 5th paragraph of the Proceedings of Government, dated 4th July 1864,
No. 1,940, calling for a revised estimate for the work remaining to be done, as sufficient
authority for prosecuting the road work. The Superintending Engineer's letter is, therefore,
submitted in original for the early orders of Government.

No. 474. ORDER THEREON, 21st September 1864, No. 2,751.

1. The work referred to in this letter will continue under restriction, until the revised
estimate called for in paragraph 5 of G. O. No. 1,940, dated 4th July 1864, shall have received
the sanction of Government.

2. The revised estimate should include the whole of the work that remained to be done
on the 1st May last, and, if any expenditure has been incurred without authority, during the
current official year, the amount should be reported by the Superintending Engineer.
