*Proceedings of the Madras Government, Revenue Department,
17th September 1864.*

No. 250. Read the following letter from Lieutenant-Colonel O. W. S. CHAMBERS, R. E.,
Superintending Engineer, 1st Division, to Colonel C. A. ORR, R. E., Secretary to
Government, Department Public Works, dated Waltair, 12th July 1864, No. 585 :—

SIR,

1. The lock at Chinnakapavarum, in the third Range of the Godavery District, was completed by the 1st of June.

2. Owing to Mr. Harris' leaving that Range about the time the Budget for the present year was drawn up, no intimation was made to me that an Establishment would be required for the lock; it had not then even been begun, and perhaps it was not supposed likely that it would be completed so soon as it has been.

3. I beg therefore that Government will now sanction the arrangement that I have made that an Establishment of one Gumastah on 8 Rupees and four Lascars on 4 Rupees each, total 24 Rupees per annum, be paid out of the contingencies entered in the estimate of the cost of the Akeed canal, and permit this Establishment to find a place in the coming Budget.

Referred to the Revenue Department for consideration.

ORDER THEREON, 17th September 1864, No. 1,705.

Miscellaneous.

As the question of debiting the cost of Conservancy Establishments to "Land Revenue" has not yet been decided, the Government in authorizing the employment of the Establishment applied for in this letter as a temporary arrangement, direct that the cost be debited as an unadjusted charge under "Public Works Remittances" as proposed by the Accountant General in his letter, dated 27th July 1864, No. 34.
