No. 515. Read the following letter from the Municipal Commissioners for the Town of Madras, to Colonel C. A. ORR, R. E., Secretary to Government, Public Works Department, dated Madras, 19th September 1864:—

SIR,

1. We have the honor to request you will obtain permission of Government for the temporary loan to this Department of the following articles, required by our Civil Engineer in constructing the screw pile drain at the north-east angle of the Fort, the estimate for which received sanction on 18th June last, No. 1,773.

One portable Steam Engine of six or eight horse power, with upright multi-tubular boiler, for the purpose of running some cast-iron pieces intended for the pipe drain.
400 feet of light iron rails.

2. These articles are emergently required as we propose beginning work at once.

No. 516. ORDER THEREON, 22nd September 1864, No. 2,771.

The Public Works Store Department will make arrangements for placing the articles referred to in this letter at the disposal of the Municipal Commissioners.
