*Proceedings of the Madras Government, Public Works Department,
23rd September 1864.*

No. 532. Read the following letter from Colonel A. J. M. BOILEAU, R. E., Superintending Engineer, 4th Division, to Colonel C. A. ORR, R. E., Secretary to Government, Public Works Department, dated Madras, 16th September 1864, No. 2,806:—

SIR,

5 Estimates.

1. Estimates have been submitted by the

Executive Officers, and approved of by the

Acting Collector, for the following works in the Poloor and Wallajah Ranges:—

RS.

1. Repairing Mahindravady tank bund and revetment, and strengthening the two calingulahs in the Wallajah Range	1,300
2. Restoring the Polliput tank bund in the Poloor Range	1,840
3. Constructing sluices to do.	203
4. Repairing the bund of the Tachampet 3rd class tank in the Poloor Range... .. .	220
5. Constructing sluice to do.	53
Total... .. .	3,616

of which Rupees 256 are for minor new works.

2. With respect to the first work, their necessity was first brought forward in the accompanying Report from Captain Chrystie, dated 17th December 1863, after he and I had examined the tank together.

3. The proposed improvements to the Palliput tank are recommended by the Acting Collector as the outlay proposed would result in an increase of Rupees 377 in the revenue. The annual assessment is Rupees 302 on 120 acres; but for the last five years not more than Rupees 178 have been collected in any one year.

4. The execution of the repairs to the Tachampet tank is said to be highly necessary.

5. From this it will be seen that the early execution of the works in question is very desirable.

6. There are, however, no funds available for the minor new works; but for the repair portion I request permission to transfer the required amount, Rupees 3,330, from the sum Rupees 6,565 allowed in the Budget Part II under the head "Military," as the whole amount Rupees 60,000 allotted for agricultural works has been appropriated, and the whole allotment for Military works in North Arcot will not be required this year, partly owing to the troops having been removed from Arcot.

No. 533. ORDER THEREON, 23rd September 1864, No. 2,780.

Under the circumstances brought to notice, the Government sanction the transfer of Rupees 3,360 from the head "Military" to "Agricultural" in Part II of the Budget, North Arcot District.
