SIR,

1. I have the honor to bring to notice that in consequence of the removal of the Head Quarters Sappers and Miners from Dowlaish-weram to Bangalore which will take place next month, the articles as per margin belonging to the Corps are held available for the use of the Department Public Works, 1st Division. The

Casks, water.

Pug Mill.
Barrows, wheel.
Timber, Teak.

Superintending Engineer of the Division to whom the articles were offered declines taking them over without an order from Government.

2. The removal of the articles to the Depot at Vizagapatam would cost more than they are really worth, and it appears to me a desirable arrangement and to which I beg that sanction be accorded, that such of the articles as the Superintending Engineer of the Division may require be transferred to the Department Public Works.
