*Proceedings of the Madras Government, Public Works Department,
27th January 1864.*

No. 587. Read the following letter from Lieutenant-Colonel E. HEMERY, R. E., Superintending Engineer, 3rd Division, to Colonel C. A. ORR, R. E., Secretary to Government, Public Works Department, dated Cuddapah, 8th January 1864, No. 252 :—

SIR,

1 Original letter.
1 Statement.

1. I have the honor herewith to submit for the favorable consideration of Government an application from Captain Fischer, Executive Engineer in charge of Military buildings at Bellary and Ramandrug, for a small increase to his Office establishment, which at present consists of a Draughtsman on 40 and an Accountant on 35 Rupees a month.

2. Captain Fischer requests that the Accountant's pay be increased to 50 Rupees, and that a Writer be allowed on 25 Rupees a month.

3. Considering the large number of Military works now under construction at Bellary and Ramandrug, I beg strongly to recommend the increase of Office establishment now applied for. At present Captain Fischer's time is too much taken up with Office work to enable him efficiently to attend to his Executive duties, and as he very justly points out, even with the proposed increase, his establishment will be far below that sanctioned for Bangalore and the Neilgherries.

No. 588.

ORDER THEREON, 27th January 1864, No. 291.

The Governor in Council is unable to sanction the additional Establishment applied for in this letter.
