*Proceedings of the Madras Government, Public Works Department,
12th October 1864.*

Read the following papers:—

No. 182. Memorandum from the Officiating Deputy Quarter Master General, to the Secretary to Government Military Department, dated Fort Saint George, 16th August 1864, No. 7,569.
From Major General J. E. WILLIAMS, Commanding Southern Division, to the Quarter Master General, Ootacamund, dated Trichinopoly, 8th August 1864, No. 335.

SIR,

1. With advertence to Proceedings of the Madras Government and their Order under date 26th April 1864, No. 1,403, I have the honor to report for the information of His Excellency the Commander-in-Chief that the Superintending Engineer, 6th Division, who was directed to submit an estimate for the construction of a boiler for immersing wooden cots to destroy bugs, for the Battery of Artillery at Trichinopoly, represents in his letter of the 4th instant that it is impossible to erect one of the standard design for Rupees 160, the maximum sum allowed, and that on personally calculating the costs he finds it would require at the very lowest computation Rupees 300 and more probably Rupees 350.

2. I beg therefore to be favored with further instructions in the matter.

Forwarded by desire of His Excellency the Commander-in-Chief with a request Government may be pleased to decide how this charge should be met.

(By Order)

(Signed) A. HOWLETT, Lieut.-Colonel,
Officiating Deputy Quarter Master General.

Referred to the Public Works Department.
