*Proceedings of the Madras Government, Public Works Department,
27th January 1864.*

No. 593. Read the following Proceedings of the Board of Revenue, dated 15th January 1864:—

Read the following letter from J. W. B. DYKES, Esq., Collector of Nellore, to W. HUDLESTON, Esq., Secretary to the Board of Revenue, Madras, dated Podalakuru, 7th January 1864, No. 3.

SIR,

1. Having called upon the Officers of the Public Works Department to furnish me with a Plan and Estimate for constructing a Toll house and gate at the entrance to the roadway on the Pennar Anicut, the Superintending Engineer in furnishing*
* No. 12, dated 16th December 1863. me with the Plan, &c., accordingly has expressed a doubt whether the laying out of the proceeds of the Anicut toll in this manner would be authorized unless special sanction for the purpose previously obtained with reference to the Proceedings of Government in the Revenue Department dated 5th June 1862, No. 1,562, which simply authorizes the proceeds of this toll being expended upon the maintenance of the Anicut roadway. I have the honor therefore to submit for the Board's consideration and orders copy of the Superintending Engineer's letter and of my reply thereto of to-day.

2. The Estimate provides, in addition to a Toll house and gate, for an expenditure of Rupees 200 for improving the Anicut approaches, and as these approaches are at present very narrow and dangerous especially in respect to this item there can be no doubt. And under the circumstances I have requested the Superintending Engineer to carry out the whole work without waiting for further instructions. Should the Board, however, view the case differently, I beg I may be favored with early orders.

Submitted for the sanction of Government. The Toll house and gate are evidently indispensably necessary for carrying out the system of Tolls on the Anicut.

(True Copy and Extract.)

No. 594.

ORDER THEREON, 27th January 1864, No. 294.

The Government approves of the erection of a Toll house and gate with the proceeds of the tolls levied on the roadway over the Pennar Anicut in Nellore. It is presumed that the collections will suffice to cover the cost of the work after meeting charges which are usually defrayed from them.

(True Extract.)

(Signed) CHARLES A. ORR, Colonel, R. E.,
Secretary to Government.

To the Board of Revenue.

- „ Superintending Engineer, 2nd Division.
- „ Controller and Auditor of Public Works Accounts.
- „ Accountant General.

no 294-

The Government approve
of the erection of a toll house & gate with the
proceeds of the tolls levied on the roadway over
the Pennar Ancient river Stellore. It is
presumed that the collections will suffice
to cover the cost of the work after meeting
charges which are usually defrayed from
therein.
