*Proceedings of the Madras Government, Public Works Department,
13th October 1864.*

No. 230. Read the following letter from Colonel A. J. M. BOILEAU, R. E., Superintending Engineer, 4th Division, to Colonel C. A. ORR, R. E., Secretary to Government, Public Works Department, dated Madras, 6th October 1864, No. 3,314:—

SIR,

1. In reply to the Proceedings of Government, No. 1,976, dated 8th July 1864, I have the honor to state that I find there is no necessity for re-opening the old road from Arconum to Conjeveram, as the Acting Col-
- 1 Survey with plans.
1 Abstract estimate.
1 Specification.

lector of North Arcot informs me that it would only be used at the time of the festival at Conjeveram, which he has observed is falling off in its attractions.

2. That portion however on the road between Nagavadu and Arconum has advantages of its own as a Railway feeder, which render it very desirable that it should be re-constructed, and I beg to submit for sanction and entry in the Budget of 1865-66 a survey with plans and estimate amounting to Rupees 3,100 for it. This section has received the Collector's approval.

No. 231. ORDER THEREON, 13th October 1864, No. 2,951.

On the recommendation of the Superintending Engineer, 4th Division, the Governor in Council sanctions, for entry in the Budget for 1865-66, the estimate submitted with this letter, amounting to Rupees 3,100, for re-opening that portion of the old Arconum and Conjeveram road which lies between the former station and Nagavadu.
