*Proceedings of the Madras Government, Public Works Department,
14th October 1864.*

No. 240. Read the following letter from Colonel A. J. M. BOILEAU, R. E., Superintending Engineer, 4th Division, to Colonel C. A. ORR, R. E., Secretary to Government, Public Works Department, dated Madras, 6th October 1864, No. 3,323 :—

SIR,

The Sanitary Commissioners have suggested that the execution of the proposed alterations to Privies at Saint Thomas' Mount and Poonamallee should be deferred until orders have been passed by Government on a report submitted by their President on the dry earth conservancy system, and as it will be necessary, if the adoption of that system is ordered, that plans and estimates already prepared for the works should be considerably modified, the Major General Commanding the Centre Division has agreed to postpone the execution of the required alterations until the receipt of the expected orders from Government. Under these circumstances the full sum, Rupees 5,000, allowed in the Supplemental Budget of the current official year for the work will probably not be required. I have therefore the honor to recommend that Rupees 2,400 of the amount be transferred to the Presidency District, to meet the estimated cost of the new Cook houses sanctioned for the Regiment in Fort Saint George, in G. O. No. 2,458, dated 25th August 1864, and adverted to in No. 2,775, dated 23rd September 1864.

No. 241. ORDER THEREON, 14th October 1864, No. 2,956.

The sanction of the Government of India will be requested to the diversion of funds recommended in this letter, as well as to the transfer, to the Reserve, of the balance available from the Budget provision of Rupees 5,000.
