*Proceedings of the Madras Government, Public Works Department,
14th October 1864.*

No. 243. Read the following letter from Captain T. BECKLEY, R. E., for Controller of Public Works Accounts, to Colonel C. A. ORR, R. E., Secretary to Government, Public Works Department, dated Madras, 5th October 1864, No. 1,282:—

SIR,

1. I have the honor to state, that the Lascars attached to the Office of Superintending Engineers are not provided with travelling batta, or allowance for accompanying their masters on tours of inspection. The Superintending Engineer, 7th Division, has however with reference to G. O. 22nd April last, No. 1,162, included in his Office contingent bill charges on account of Railway fare for this class of servants.

2. It will be observed in paragraph 21, Chapter V of the Civil Auditor's Manual, that Office contingency comprises all petty charges of ordinary character, viz., repairs of Office furniture, &c., and the purchase of small articles absolutely necessary for Office use. Under these circumstances I beg to enquire if charges of that nature can be admitted as Office contingency, and if it is to be observed as a general rule for all Divisions.

N. 244. ORDER THEREON, 14th October 1864, No. 2,958.

The Controller of Public Works Accounts is authorized to pass such charges as he refers to from the Office contingent allowance of Superintending Engineers.
