*Proceedings of the Madras Government, Public Works Department,
14th October 1864.*

No. 247. Read the following letter from Colonel A. J. M. BOILEAU, R. E., Superintending Engineer, 4th Division, to Colonel C. A. ORR, R. E., Secretary to Government, Public Works Department, dated Madras, 28th September 1864, No. 28 :—

SIR,

1. I have the honor to submit, for the orders of Government, the accompanying letter No. 64, dated 21st September 1864, from the Resident Engineer of the Indian Tramway Company (Limited), requesting that I will remit to Messrs. Arbuthnot & Co., the Agents of the Company, the sum Rupees 30,000 allotted by Government in the current year's Budget of Imperial Funds for the proposed bridge across the Cortelliar river in the North Arcot District.

2. According to the Memorandum of works attached to the Proceedings of Government No. 381, dated 6th February 1864, the sum in question is not to be appropriated without their special sanction, and this I now solicit.

No. 248. ORDER THEREON, 14th October 1864, No. 2,960.

It was not the intention of the Government, in providing the sum of Rupees 30,000 in the Budget, for a bridge to be constructed across the Cortelliar river by the Indian Tramway Company, to transfer the amount to the Company before a plan and estimate of the proposed structure had received the sanction of Government. The Superintending Engineer will, therefore, submit for approval a plan and estimate for such a bridge as he would recommend if the work had to be constructed by the Public Works Department, for the accommodation of ordinary traffic.

Secretary to Government.
