MILITARY DEPARTMENT.  
PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following papers :—

Memorandum from the Quarter Master General, Head Quarters, Ootacamund, 20th September 1864,  
No. <sup>350</sup>/<sub>8647</sub> ; to the Secretary to Government, Military Department, Fort Saint George.

Forwarded to Government for sanction.

"The Civil Dispensary is in the occupation of a house and premises for which a monthly rent of Rupees 50 is paid from the Civil Dispensary Funds, the Lock Hospital is located in a Bungalow in the same Compound, and pays no quota of the rent."

From the Officer Commanding Southern Division, Head Quarters, Trichinopoly, 6th September 1864, No. 366 ; to the Quarter Master General, Ootacamund.

Referring to Proceedings of Government and Order No. 2398, dated 12th July 1864, I have the honor to report, for the information of His Excellency the Commander-in-Chief, that the Medical Authorities can find but one house in Trichinopoly available and suited for a Lock Hospital.

2. The rent is Rupees. 35 per month, but it requires some repairs, and the completion of the enclosure walls, which the proprietor is unwilling to undertake, unless Government will take the house for a year certain.

3. Under the circumstances, I venture to suggest that the Lock Hospital Patients, who though in the same Compound occupy a detached Bungalow quite apart from those of the Civil Dispensary, should, for the present, remain where they are. Rupees 20 per month being allowed as rent for the Lock Hospital.

With Report from the Controller of Military Accounts, 29th Sept. 1864, F.

ORDER, No. 3588, 10th October 1864.

Sanctioned as proposed.
