No. 288. Read the following letter from Colonel A. J. M. BOILEAU, R. E., Superintending Engineer, 4th Division, to Colonel C. A. ORR, R. E., Secretary to Government, Public Works Department, dated Madras, 12th October 1864, No. 3,470:—

SIR,

- 1 Plan.
- 1 Estimate.
- 1 Specification.

1. In accordance with the instructions contained in paragraph 10 of the Proceedings of Government, No. 1,049, dated 13th April

1864, I have the honor to submit for sanction plan and estimate amounting to Rupees 74,000, for the several buildings proposed to be erected for the Public Works Department Store and Workshops at Chepauk.

2. The arrangement of the plan is similar to that suggested by Mr. Moncrieff in his letter of the 12th February 1864. It is unnecessary for me to enter into details concerning the building as the plan has already received your general approval, and in accordance therewith and the personal orders received from you it has been commenced.

3. The sum, Rupees 50,000, allotted for expenditure this year in G. O. No. 1,461, dated 19th May 1864, will be sufficient for the purpose, and the balance of the estimated cost will, with the permission of Government, be entered as an allotment in my next year's Budget list now under preparation.

No. 289. ORDER THEREON, 17th October 1864, No. 2,980.

1. The Government approve of the plan submitted with this letter. They would observe, however, that the windows of the building would be better proportioned, if their width were $4\frac{1}{2}$ instead of 5 feet in the clear.

2. Rupees 76,390, having been sanctioned for the work in Proceedings, No. 1, dated 3rd January 1860, the difference between that amount and the sum allotted for expenditure during the current year should be entered in the Budget for 1865-66.
