*Proceedings of the Madras Government, Educational Department,
12th October 1864.*

No. 39. Read the following letter from E. B. POWELL, Esq., Director of Public Instruction; to the Chief Secretary to Government, Fort Saint George, dated Madras, 30th September 1864, No. 1931.

I have the honor to request attention to the large model of a proposed Presidency College and University building, which was constructed under the Government of the Right Honorable Lord Harris at a considerable expense. This model is at present kept in the hall of the old College, and has to be moved backwards and forwards, whenever the hall is required, the moving of course being very injurious to it. At the same time that the model is productive of inconvenience in its present locality, it is of no use whatever. It appears to me that it should either be removed to the Museum, and placed on view in that institution, or sold by the Department of Public Works for what it will bring. In any case, I beg to suggest that orders may be issued for its removal from this building.

No. 40. ORDER THEREON, 12th October 1864, No. 306.
Orders will be issued in the Public Works Department for the sale of the model in question.
