No. 335. Read the following Circular from the Secretary to the Government of India, Public Works Department, to the Secretary to the Government of Madras in the Public Works Department, dated Simla, 13th September 1864, No. 68 :—

1. Circular No. 34 of 1864 prescribes that, in the case of works not exceeding Rupees 200 each, the actual expenditure incurred shall be entered in Parts II and III of the Monthly Appropriation Returns, in place of any appropriation.

2. In supersession of so much of Circular No. 34 as bears on this point, the Governor General in Council is now pleased to direct that in future, instead of entering the actual outlay on works not exceeding Rupees 200 in cost, the sanctions of each month may be taken from the monthly Register of Works sanctioned by local authorities, which, under Standing Order No. 26 of 1864, is required to be rendered by Superintending Engineers to Controllers.

Parts II and III of the form of Appropriation Account attached to Circular No. 34 are to be corrected accordingly.
