1,024	1863. 30th Nov....	Defending the south bank of Vennaur with four Hurdle Groynes in the limits of Ramasawmy Kottadam.	Rs. A. P. 463 0 0	Rs. A. P. 420 5 6	Rs. A. P.	RS. A. P.	1862-63	First received on the 15th Dec. 1863, returned 23rd of the same month, again received 9th Jan. 1864.	I called on the Superintending Engineer for explanation respecting the excess of expenditure on the sanctioned Estimate, and for the authority for transferring the saving from another Estimate to this, who in reply states that the transfer was not made under any particular rule, but as the both Estimates were for the same description of work and for the protection of the same bank, it was considered advisable to transfer the saving in one to cover the excess in the other estimate rather than apply for a supplemental sanction for the latter, which proceedings was sanctioned by the late Acting District Engineer of Tanjore.
