*Proceedings of the Madras Government, Public Works Department,
28th January 1864.*

No. 607. Read the following letter from Lieutenant-Colonel G. W. WALKER, R. E.,
Superintending Engineer, 7th Division, to Colonel C. A. ORR, R. E., Secretary to
Government, Department Public Works, dated Coonoor, 16th January 1864, No. 308:—
SIR,

1. It has been brought to my notice by my Manager, from his personal knowledge of the
works in Caroor Taluq, of which he was formerly Overseer, that my statement in paragraph 1
of letter printed with Government Order No. 2,757 of 22nd September 1863, was incorrect. It
appears that the sanction of Rupees 1,880 in Government Order No. 2,050 of 25th July, applied
to a different pair of groynes from the two commenced in 1862-63 at Vangol for the preserva-
tion of the Neeroor channel; and as my mistake between them (owing to personal ignorance of
localities and confusion in a new office) has led to the transfer of that sanction for the comple-
tion of a third set of three groynes at Nunja Cadama Coorchy for preservation of the Vangol
channel (originally sanctioned in G. O. No. 814 of 1st April 1863), I have the honor to request
that the error may now be rectified, and a fresh allotment of Rupees 1,880 be made from the
Reserve Fund for two groynes at Maravapoliem for the preservation of the Nunjapogaloor
channel. If preferred, the money may be assigned from the Budget sanction of Rupees 3,300
for alterations to Coonoor Church superseded by the Reserve sanction of Rupees 6,790 for the
same purpose in Government Order No. 1,645 of 23rd June 1863. But the demands of Coim-
batore District for the current year will exceed all present allotments, and it may be as well to
resort to the Reserve at once if available.

No. 608. ORDER THEREON, 28th January 1864, No. 301.

1. The Reserve Fund of the current year being almost exhausted, the amount required
for the two groynes at Maravapoliem, for the preservation of the Nunjapogaloor channel,
cannot be provided from that source. The appropriation to the work of Rupees 1,880 from the
Budget sanction of Rupees 3,300 for improvements to the Coonoor Church—reported in the fore-
going letter to be available—cannot, therefore, be avoided and is accordingly sanctioned.

2. The Superintending Engineer will report how he intends to employ the balance
Rupees 1,420.
