*Proceedings of the Madras Government, Public Works Department,
21st October 1864.*

No. 394. Read the following letter from Lieutenant-Colonel E. HEMERY, R. E., Superintending Engineer, 3rd Division, to Colonel C. A. ORR, R. E., Secretary to Government Public Works Department, dated Cuddapah, 13th October 1864, No. 116 :—
SIR,

1. I have the honor to submit for sanction from the allotment for repairs to buildings in the Kurnool District in 1864-65, an estimate amounting to Rupees 600 for repairs emergently required to the building originally intended as an Office for the District Engineer of Kurnool, and now used as an Office and Store-room by the Officer in charge of the Kurnool Range.
1 Estimate.
1 Letter.
2. The building was erected at a cost of Rupees 5,331-13-9, whilst Captain Beckley was District Engineer, and under the direct superintendence of the late Deputy Commissary F. Eaton and of Mr. Supervisor Hasler.
3. The timber used was so bad, that the roof of one of the rooms has fallen in, whilst the roof of the Store-room has been propped up by temporary pillars. The beams of the other two rooms have also sagged and should be strengthened.
4. The building is very unsafe in its present state, and will, if not repaired, soon be useless.

No. 395. ORDER THEREON, 21st October 1864, No. 3,030.

1. The Governor in Council sanctions the estimate, amounting to Rupees 600, for repairing the building used as an Office and Store-room by the Officer in charge of the Kurnool Range.
2. The cost of the repairs will be charged against the Budget allotment for the Kurnool District, under the head "Civil Buildings."

(True Extract.)

(Signed) CHARLES A. ORR, Colonel, R. E.,
Secretary to Government.
