*Proceedings of the Madras Government, Public Works Department,
21st October 1864.*

No. 396. Read the following letter from Captain J. G. RYVES, R. E., Superintending Engineer, 1st Division, to Colonel C. A. ORR, R. E., Secretary to Government, Public Works Department, dated Waltair, 5th October 1864, No. 1,056:—

SIR,

G. O. No. 2,223 17th September 1862,
No. 171, 21st January 1863.

1. Government in their Orders as per margin, call for the remarks of the District Engineer Vizagapatam, on paragraph 8 of a letter from the Chief Commissioner, Central Provinces, contradicting the statement that the road from Vizagapatam to Jeypore via Galicondah, will tend to develop the cotton trade, and request that a survey and plans for a road to Jeypore via Galicondah may be submitted.

2. As I know nothing of the Nagpore country, no remarks are offered on the letter from the Chief Commissioner, Central Provinces; the plan and estimates for the road above the Ghâts, and for the Ghât itself, cannot be prepared until a competent Officer is attached to the District, whose sole business it would be to attempt to make this survey, in the meantime, the work is being carried on under the Revenue authorities.

3. I request permission to remove this Order from my future Lists of Unanswered References.

No. 397. ORDER THEREON, 21st October 1864, No. 3,031.

The Government are unable at present to depute an Officer to undertake the survey referred to; but as it is expedient that the orders quoted should not be lost sight of, they direct that they be retained on the List of Unanswered References until finally disposed of.
