Executive Engineer in charge of the Chittoor Range to prepare a survey of the line and forward it with an estimate for such improvements, as he might consider necessary.

2. His report on the subject, together with a survey of the Ghât, I have the honor to enclose; it will be seen that the required plans and estimates cannot be prepared until a trace of three yards broad has been marked out at the places in the Ghât proposed to be improved. The cost of such work will not, Captain Chrystie reports, exceed Rupees 250, and as I am unable to obtain any money for the purpose from the District road funds, I request permission to transfer the required sum from the balance, Rupees 500, remaining of the discretionary allowance, an arrangement in which the Acting Collector quite concurs.

3. The full new trace to be eventually made must be made out of Imperial or Income Tax Funds, as the District Road Fund will be insufficient to bear the charge.

No. 401. ORDER THEREON, 22nd October 1864, No. 3,033.

The arrangement suggested in this letter in order to provide funds for marking out the trace of the Synagoontah Ghât, is sanctioned.

1 Letter N. 567
dated 12th Sept/64
with survey and
B.M. readings

It being very desirable that the
trace of the Synagounta Ghat on the Road
between Goriattur and Palmanair in the
North Arcot District should be improved,
as some of the gradients are excessively steep,
I instructed the Executive Engineer in charge
of the Chittoor Range to prepare a survey of the
line and forward it with an Estimate for such
improvements, as he might consider necessary.

2 His report on the subject together
with a survey of the Ghat I have the
honor to enclose; it will be seen that the re-
quired Plans and Estimates cannot be pre-
pared

Acting Collector quite concurs:-
The full new trace to be eventually made must be made out of Imperial or Income tax funds as the District Road Fund will be insufficient to bear the charge.
Madras have the honor to.
