*Proceedings of the Madras Government, Public Works Department,
22nd October 1864.*

No. 412. Read the following letter from Captain J. G. RYVES, R. E., Superintending Engineer, 1st Division, to Colonel C. A. ORR, R. E., Secretary to Government, Department Public Works, dated Waltair, 5th October 1864, No. 1,058:—

SIR,

1. With reference to G. O. No. 1,253 of 18th May 1863, calling for plans and estimates for a road from Vizianagram to Parvatipur, I beg to state that I concur in the opinion expressed by my predecessor in his letter to Government, No. 143 of 3rd June 1863, viz., "that until more superintendence is allotted to the Vizagapatam District, it is impossible to undertake surveys of new lines of road."

2. Under these circumstances, I would beg that, until an additional Officer is attached to the District, I may be allowed to defer the submission of the plans, &c., for the road in question, and that the order under reference may be permitted to be struck off from my future lists of Unanswered References.

No. 413. ORDER THEREON, 22nd October 1864, No. 3,039.

The Governor in Council observes that, under the circumstances represented, the submission of the plans and estimates for a road from Vizianagram and Parvatipur may be deferred; but the G. O. calling for them must continue on the List of Unanswered References until it is complied with.
