*Proceedings of the Madras Government Public Works Department,
28th January 1864.*

No. 613. Read the following letter from Lieutenant-Colonel O. W. S. CHAMBERS, R. E.,
Superintending Engineer, 1st Division, to Colonel C. A. ORR, R. E., Secretary to
Government, Department Public Works, dated Waltair, 12th January 1864, No. 2,072:—
Sir,

1 Original letter.

Nos. 3,581, and 3,674, dated 4th and 12th December 1863. 1. With reference to the Orders of Government marginally
noted, on the subject of the 25,000 Rupees lately granted for the
road from Vizianagram to Chepurpilly and for the completion of

the Petta Ghat in the Jeypore country, I beg to state for their information that the Supervisor
in charge of the Vizianagram Range of this District reports to me that he is able to spend one-
half of the allotment as above in the current official year, and that the Collector, whose letter is
attached, proposes carrying on the work above the Ghats under the supervision of his Junior
Assistant, Lieutenant Smith.

2. I have told Mr. Carmichael that 12,500 Rupees are at his disposal for the line in the
Jeypore country, and request the sanction of Government to this arrangement, which is, in my
opinion, the best that can be made under existing circumstances.

3. I beg, however, that it may be distinctly understood that I am still under the impression
that the money would be far better laid out on the completion of roads in the plains under sus-
pension for lack of funds.

No. 614.

ORDER THEREON. 28th January 1864, No. 304.
The arrangement reported in this letter is approved.
