No. 462. Read the following Memorandum from Lieutenant-Colonel F. H. SCOTT, Quarter Master General, to the Secretary to Government, Military Department, dated Ootacamund, 7th October 1864, No. 395-9,242:—
Read the following letter from Major-General J. E. WILLIAMS, Commanding Southern Division, to the Quarter Master General, Ootacamund, dated Trichinopoly, 3rd October 1864, No. 391.

SIR,
1. I have the honor to report, for the information of His Excellency the Commander-in-Chief, that the estimate of 1,000 Rupees approved by him as notified in letter from the Deputy Quarter Master General No. 8,625 of 21st ultimo, for the repair of the roof of the Place of Arms of 23rd L. I., was forwarded to the Superintending Engineer, 6th Division, for execution.
2. That Officer states that of Rupees 1,689, placed at his disposal this year for repairs to such buildings under the head of "Accommodation for troops," 1,189 Rupees have already been appropriated, and that he is therefore unable to carry out the estimate.
3. As the roof in question is in an unsafe condition, having sunk considerably in several places, and may possibly fall in, causing injury and loss to Government, I venture to request that Government may be moved to grant funds in order to the early repair of the building.

Forwarded to Government for consideration and orders.

By order.
