PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following letter:—

From the Superintending Engineer, 7th Division, Coonoor, 9th January 1864. No. 289; to the Secretary to Government, Department Public Works.

I have the honor to forward an Estimate* for fitting and fixing Iron Bars to the windows of the Commissariat Godown at Wellington, and to request that the same may receive the sanction of Government. The outlay was originally passed by myself from the Budget allotment of Rupees 1,026, for repairing Commissariat Buildings at Wellington—but the Controller has objected to the entry of the item in the Appropriation Return for October—and by Government Order, No. 2904, of 6th October 1863, in the case of similar work at Calicut, it would appear that the Reserve will have to be indented on.

Referred to the Military Department.
