be erected for the Sub-Magistrate at Calastry; the work connected with the Police Station House may therefore be at once proceeded with.

2. The Executive Agent has, however, just brought to my notice that owing to an increase in the price of materials, the original estimate Rupees 1,720, sanctioned in G. O. No. 2,313, dated 26th September 1862, will not now be sufficient for the work, and has submitted a revised one amounting to Rupees 1,940.

3. This estimate I beg to transmit for sanction from the sum, Rupees 3,000, allotted in the current year's Budget for Police Stations in North Arcot.

4. Plan and estimate for the proposed building for the Sub-Magistrate's Cutcherry at Calastry will be shortly submitted for sanction.

Referred to the Inspector General of Madras Police for report as to whether there is any objection to the estimate for Rupees 1,940, submitted by the Superintending Engineer, 4th Division, being carried out from the amount (Rupees 3,000) allotted in the Budget for Police Stations in the North Arcot District.

No. 508. From W. ROBINSON, Esq., Inspector General of Mofussil Police, to Colonel C. A. ORR, R. E., Secretary to Government, Department Public Works, dated Madras, 12th October 1864, No. 2,104.

SIR,

1. With reference to letter from the Superintending Engineer, 4th Division, No. 2,826, dated 16th September 1864, referred to me for report, I have the honor to inform you that the Station House at Calastry is not required to be built this year.

2. Arrangements have already been made for the expenditure of the Budget grant for this District on urgent wants.

3. I beg to annex copy of a Memorandum by the Deputy Inspector General of Police, Central Range.

MEMORANDUM.

1. I cannot recommend that this estimate should be sanctioned this year.

2. The Police have accommodation in the Cutcherry vacated by the Sub-Magistrate, and the Lock-ups have recently been improved and ventilated. The want therefore is not urgent as regards Police, though the building is in some respects objectionable.

3. The Sub-Magistrate holds his Cutcherry in an old Muntapum.

4. Government have laid down the principle that on building a new Sub-Magistrate's Cutcherry, Police accommodation should be provided therein. The Superintending Engineer has advanced no grounds for departing from the principle in this case.

The result should be reported for the information of Government.

2. Colonel Boileau's attention is requested to paragraph 1 of the letter from the Inspector General of Police, dated 12th October 1864.
