No. 452.

PROCEEDINGS OF THE BOARD OF REVENUE, dated 22nd January 1864.

Read the following letter from the Collector of Nellore, dated 22nd December 1863, No. 430:—

1. In October last the Superintendent of Police requested the co-operation of this Department in regard to the construction of watching huts for the Police at the Salt platforms, and forwarded to me Rupees 400 as an advance for the purpose. Since when, progress has been made in the matter and expenditure incurred from the said advance.
2. With reference however to the Proceedings of Government in the Revenue Department, dated 12th ultimo, No. 2,014, the Superintendent now applies for the refund of the said sum of Rupees 400.
3. And under these circumstances, no provision for the charge having been made in the Budget of this District, I have the honor to request the Board's sanction for the refund in question, and their instructions as to how the cost of construction of the huts in question, which Mr. Robinson in his letter to Government of the 30th October 1863, No. 2,792, states, has been estimated at Rupees 860 is to be met.

Ordered to be submitted to Government, Public Works Department, with reference to the Order of Government, Revenue Department, dated 18th November 1863, No. 2,044. The Board observe that there is a provision of only 600 Rupees in the Public Works Budget of 1863-64 for repairs under the head of Salt. The amount required for the watching huts at the Salt platforms in Nellore is Rupees 860. The Government in the Revenue Department having stated that for works of this nature, funds are provided by the Department of Public Works, the Board beg to be informed from what provision the charge in question should be met.
