*Proceedings of the Madras Government, Public Works Department,
28th October 1864.*

No. 556. Read the following letter from Lieutenant-Colonel E. HEMERY, R. E., Superintending Engineer, 3rd Division, to Colonel C. A. ORR, R. E., Secretary to Government, Public Works Department, dated Cuddapah, 22nd October 1864, No. 122 :—

SIR,

1. With reference to Order No. 2,449, Public Works Department, dated 28th August 1864, I have the honor to report that on the 29th

Enclosure 1,

idem, I forwarded to the Controller, Public

Works Accounts, a supplemental indent for Rupees 3,500 required for Police Huts in the Bellary District.

2. This sum, when passed by the Controller, I placed, by letter of credit, at the disposal of Lieutenant Hicks, Superintendent of Police, Bellary, at his own request, he having informed me that he had made arrangements with the Reddies of villages for the construction of Police Huts by contract.

3. The Deputy Collector in charge of the Treasury, Bellary, refuses however to allow the Superintendent of Police to draw this money, and the Deputy Auditor and Accountant General, to whom the matter was referred, states that Lieutenant Hicks must obtain cheques for sums required by him from the Executive Engineer of the Division, whatever that may mean! I therefore beg to request the orders of Government on the subject, as huts are much required for the Police in the Bellary District.

No. 557. ORDER THEREON, 28th October 1864, No. 3,107.

The attention of the Superintending Engineer, 3rd Division, will be requested to paragraph 3 of the orders of the Government of India, in the Financial Department, communicated in Proceedings, No. 2,740, dated 20th September 1864. Police authorities undertaking the construction of huts, &c., should obtain the necessary funds from the Officers of the Department Public Works in charge of the Range in which the works are situated.
