*Proceedings of the Madras Government, Public Works Department,
31st October 1864.*

No. 573. Read the following letter from Colonel A. J. M. BOILEAU, R. E., Superintending Engineer, 4th Division, to Colonel C. A. ORR, R. E., Secretary to Government, Public Works Department, dated Madras, 21st October 1864, No. 3,638:—

SIR,

1. I have the honor to submit, for the sanction of Government, the accompanying estimates which have been prepared for the under-mentioned improvements to the Keeshanthoray tank in the Wallajah Taluq, North Arcot District, viz:—

- 1 Sketch.
1 Plan.
2 Abstract estimates.
1 Ayacut Statement, 1/3,138/1864.

	RS.	
1. Improving the tank supply channel, and surplus calingulah ...	1,960	
2. Constructing a candum across the Nagavadu south surplus channel ...	300	
2. The execution of these works is much urged by the Ryots; according to the Acting Collector's report the tank has been without repair for the last twenty years, and considering the extent of cultivation dependent thereon, and the circumstance that the proposed outlay will result in an increase of Rupees 421 in the revenue, he recommends the estimates being carried out this year.

Average revenue of last five years.		880

3. Under these circumstances, I beg that sanction may be given to their execution from the balance, Rupees 17,237, remaining of the sum, Rupees 40,000, allotted for works connected with the Poiney anicut project in North Arcot of which those in question may be considered as forming an integral portion.

No. 574. ORDER THEREON, 31st October 1864, No. 3,115.

On the recommendation of the Superintending Engineer the Governor in Council sanctions the estimates submitted with this letter, amounting to Rupees 2,260, and directs that the current year's expenditure be charged against the Budget allotment for the Poiney anicut project.
