*Proceedings of the Madras Government, Public Works Department,
31st October 1864.*

Read the following papers :—

No. 585. From Lieutenant-Colonel E. HEMERY, R. E., Superintending Engineer, 3rd Division, to Colonel C. A. ORR, R. E., Secretary to Government, Public Works Department, dated Camp Madanapalle, 22nd September 1864, No. 101.

SIR,

1. I have the honor herewith to forward, for the favorable consideration of Government, a letter, with enclosures, from the Collector of Bellary, soliciting a grant of Rupees 400 for the addition of a Civil Ward to the Hospital now being constructed at Anantapur for the use of the Police.

2 Letters.
1 Plan.

2. There are no funds at my disposal available for the work.

From A. HATHAWAY, Esq., Collector of Bellary, to Lieutenant-Colonel E. HEMERY, R. E., Superintending Engineer, 3rd Division, dated Bellary, 13th September 1864, No. 707.

SIR,

I have the honor, in forwarding herewith the original letter, No. 81,* dated 3rd instant, and its enclosure from the Acting Sub-Collector at Anantapur, to request your favorable consideration of the subject therein referred to; and obtain for me, under the circumstances therein explained, as a special case, the necessary sanction for carrying out the execution of the work recommended by the Sub-Collector.

* To be returned.

From J. W. REID, Esq., Acting Sub-Collector of Bellary, to A. HATHAWAY, Esq., Collector of Bellary, dated Anantapur, 3rd September 1864, No. 84.

SIR,

1. Doctor Edward Balfour, the Deputy Inspector General of Hospitals, Ceded Districts, having, in the beginning of the year, written to Mr. Duckworth, the Assistant Apothecary doing duty here, to know whether, as a Hospital for the Police was going to be built, the people of Anantapur would be ready to support a Civil Dispensary. On my going to Bellary in the middle of February, to assume charge of the District, I visited Doctor Balfour, and he said that Rupees 30 a month would maintain a Hospital for three in-patients.

2. On my return to Anantapur in a couple of days afterwards, as the settlement was being conducted, I broached the subject to the Reddis and Kurnams of the Taluq and they made a subscription list amounting to Rupees 185-12-0, of which Rupees 156-4-0 was paid.

3. While holding this appointment I shall be happy to contribute Rupees 100 per year to this object, and now have the honor to address you with a view to your getting sanctioned the addition of a Civil Ward to the Police Hospital, an estimate for which, amounting to Rupees 1,120, has been sanctioned.

4. Mr. Wilson, the Assistant Engineer, with whom I conferred on the subject, has been kind enough to draw and send me a plan† according to the estimate with the alterations required for a Civil Ward, and he estimates the

† Herein enclosed.

cost of a Civil Ward at Rupees 400. He also informed me that as he has received instructions to commence the Hospital at once, the requisite alteration must be received soon for it to be of any avail.

5. The subscriptions will of course be to defray the current expenses, not to build the Civil Ward.

6. As to future subscriptions the certainty of their being contributed will depend on the amount of influence used by the Revenue authorities to get the people to subscribe, but without

*Proceedings of the Madras Government, Public Works Department,

holding out any *certain* prospect of the full amount of 350 Rupees being always contributed, I don't see why here as well as elsewhere, a Dispensary should not be supported by voluntary subscription.

7. One thing however is certain that such a convenient opportunity when a Hospital is being built for the Police, and when a sufficient ward can be constructed at the small cost of Rupees 400 will not be likely to occur again, I have therefore to request the favor of your recommending the above proposal to the favorable consideration of higher authority, and to repeat that, as the Assistant Engineer will have to begin the work soon, the sanction should be applied for immediately.

Referred to the Public Department. There are no funds available for the work in this Department.
