*Proceedings of the Madras Government, Public Works Department,
29th January 1864.*

No. 630. Read the following letter from Colonel A. J. M. BOILEAU, R. E., Superintending Engineer, 4th Division, to Colonel C. A. ORR, R. E., Secretary to Government, Public Works Department, dated Madras, 16th January 1864, No. 4,545.

SIR,

1. With reference to your letter No. 227, dated 9th September 1863, and my reply thereto of the 13th October 1863, No. 2,909, I have the honor to submit an Estimate amounting to Rupees 2,500 for the thorough renewal of the Public Works Store-rooms at Chepauk, providing for the entire reformation of the terraced roof, repairs of walls, flooring, &c., and for painting the doors, joists and beams. The present value of the building is reported to be Rupees 3,650.

2. As the work seems to come rather under the head of an Improvement than a Repair, I request that sanction may be granted for its entry in the Budget 1864-65, or if too late that it may be sanctioned out of the Reserve Fund of that year, provided that you consider the building worthy of so large an outlay.

No. 631. ORDER THEREON, 29th January 1864, No. 312.

As the work referred to in this letter cannot be provided for in the Budget for 1864-65, the Superintending Engineer, 4th Division, is requested to re-submit the Estimate after the 1st May next.
