2. They were returned to the Superintending Engineer, 1st Division, by my predecessor, Colonel Wilkieson, for explanation as to the reason of their not having been prepared in the "new form" which accompanied Circular No. CLXXXII, dated 3rd April 1861.

1. The Governor in Council declines to sanction the bills submitted with this letter, until furnished by the Superintending Engineer, 1st Division, with fuller explanation of the circumstances under which they have not been prepared in the new form. It is observed that forms of Station books were furnished to the local Officers with the Chief Engineer's Circular No. CLXXXII, dated 3rd April 1861.
