Executive Eng^r Office 5th Divⁿ
Bangalore, 18th October 1862

From

Captain H. W. Wood R.E.
Executive Engineer Bangalore

To

The Superintending Engineer
5th Division

Sir,

I have the honor to enquire whether I am at liberty to proceed with the execution of any work for the New Barrack Barracks for which plans and estimates have not yet been submitted, but which are essential to the completion of the works as a whole.

2. The Major General Commanding the Division is exceedingly anxious that sites for villages previously existed and ~~which are now in the way of the Barrack Barracks~~ lines should be levelled, that roads should be made and trees planted and that hedges of aloe trees ~~should~~ be removed. All these works must eventually be done before the new Barrack Barracks can be said to be actually ready for occupation and I beg therefore to enquire whether these and similar works can be at once carried out, the estimates being submitted for them in due course.

I have the honor to be,

Signed H. W. Wood Capt. R.E.
Ex: Eng^r Bangalore.
