Proceedings of the Madras Government, Public Department,
24th October 1864.

No. 137. Read the following letter from the Honorable D. ARBUTHNOTT, Collector of Salem; to the Secretary to Government, Public Works Department, dated Salem, 14th October 1864, No. 43.

I have the honor to forward, for the orders of Government, copy of a letter of the Zillah Surgeon of Salem, dated the 10th instant, No. 71, requesting that a "Dead house" may be built in the compound of the Civil Dispensary at Salem.

From W. H. ROBERTS, Esq., M. D., Zillah Surgeon, Salem; to the Honorable D. ARBUTHNOTT, Collector of Salem, dated 10th October 1864, No. 71.

I have the honor to bring to your notice the fact, that there is no "Dead house" in connection with the Civil Dispensary in Salem, consequently there is no place for the reception and dissection of bodies sent for examination. I am now examining a body in one of the bath-rooms of the Dispensary a place, every way unsuited for the purpose, independent of the impropriety of doing it there at all.

2. A Dead house should be built in the compound, and there is sufficient room for this purpose.

(True Copy.)

Collector.
