*Proceedings of the Madras Government, Public Works Department,
5th November 1864.*

No. 117. Read the following Memorandum from Colonel A. J. M. BOILEAU, R. E., Superintending Engineer, 4th Division, to Colonel C. A. ORR, R. E., Secretary to Government, Public Works Department, dated Madras, 23th October 1864, No. 3,785 :—

1. Submitted to Government with a recommendation that, under the circumstance explained by Mr. Assistant Engineer Leggatt, the Controller of Public Works Accounts may be authorized to pass the contingent bill which has been furnished for the charge, Rupees 5, incurred in the carriage of records from Arnee to Chingleput.
2. From the time that Mr. Assistant Engineer George was relieved of the charge of the Polur Range, Mr. Assistant Engineer Leggatt has been entrusted with the supervision of works in it and his own, the Madranticum or No. 4 Range, Madras, and has received no pecuniary benefit by the arrangement; it is hoped therefore that the bill in question will be sanctioned for payment.

From W. B. LEGGATT, Esq, Assistant Engineer, No. 4 Range, to Colonel A. J. M. BOILEAU, R. E., Superintending Engineer, 4th Division, dated Chingleput, 22nd October 1864, 109.

SIR,

1. In forwarding an unaudited contingent bill for Rupees 5, and the Controller's Memorandum attached thereto, I have the honor to request that sanction for auditing the same may be obtained from the Government if necessary.
2. You will observe that the Office records referred to in the bill are those of the Polur Range in the North Arcot District, which I have been obliged to remove to Chingleput, the head quarters of my own Range.
3. I draw no travelling allowance for the Polur Range, and having to bear the expense of travelling in my own Range in the Madras District, and the cost of carriage of the records connected with it, I beg that the Controller may be empowered to audit the bill in question; more especially as the charge is for the carriage of records from one District to another, and not in a Range to which the records belong.

No. 118. ORDER THEREON, 5th November 1864, No. 3,188.

Under the explanation afforded, the Controller of Public Works Accounts is authorized to pass the bill submitted by Mr. Leggatt.
