*Proceedings of the Madras Government, Marine Department,
31st October 1861.*

No. 40. Read the following letter from J. J. FRANKLIN, Esq., Superintendent of Marine;
to the Honorable A. J. ARBUTHNOT, Chief Secretary to Government, Marine
Department, Fort Saint George, dated Madras, 24th October 1861, No. 3388.

The Government were pleased in their Proceedings of the 5th September 1861, No. 1432,
to approve an arrangement for converting a portion of the Marine Store Godowns and yard into
temporary stables and coach-houses for the officers of the Supreme Court.

2. I have now the honor to inform you, that the Department will speedily require these
godowns for the purpose of storing the cranes for the Pier, shipped at the end of last August
on the *Tyburnia*, which vessel may be expected at Madras about the beginning of December.
I have to solicit therefore that instructions may be issued for again placing them at the disposal
of the Master Attendant.

No. 41. ORDER THEREON, 31st October 1861, No. 225.

The Government having incurred considerable expense in converting the Marine Store
Godowns into stables for the High Court, are not prepared to re-place them at the disposal of the
Master Attendant. Such of the cranes referred to in the foregoing letter as may not be required
for immediate use, should be lodged on their arrival in the P. W. Workshop now being erected,
where they will be under the care of the Mechanical Engineer in charge.

Should that building not be ready when the cranes arrive, they can be placed in the
Old Godowns near Clive's Battery, which it is understood, are now empty.
