*Proceedings of the Madras Government, Revenue Department,
2nd November 1861.*

No. 24. Read the following Despatch from the Right Honorable Sir C. WOOD, Bart.,
Secretary of State for India (Revenue), to His Excellency the Honorable the Governor,
in Council, Fort Saint George, dated India Office, London, 23rd September 1861,
No. 41:—

SIR,

1. I have considered in Council your Despatch dated July 4th (No. 15) 1861, and am
glad to find that the divers are fully employed during the intervals between the fisheries, and
that there is no reason to apprehend that they will abandon the locality.

2. I perceive that in the opinion of those who are best able to form a judgment on the
effect which the works of the pearl nursery will have on Tuticorin harbour, the north channel will
be deepened while the south channel will not in any way be injured. It is very desirable that
this interesting experiment should be proceeded with at once, and I therefore approve of the
supplemental estimate which has been sanctioned by your Government for the immediate
commencement of the works in the harbour.

No. 25. ORDER THEREON, 2nd November 1861, No. 2,015.

Miscellaneous.

1. Communicated to the Board of Revenue with refer-
ence to the Proceedings of Government, 3rd June and 2nd July
1861, Nos. 948 and 1,139.

2. The Accountant General will be requested to expedite his reply to the Order of Govern-
ment of 21st ultimo, No. 1,935.
