*Proceedings of the Madras Government, Public Works Department,  
8th November 1864.*

No. 153. Read the following letter from Captain J. F. FISCHER, R. E., Controller of Public Works Accounts, to Colonel C. A. ORR, R. E., Secretary to Government, Public Works Department, dated Madras, 31st October 1864, No. 1,466 :—

Sir,

Audit No. 534, Annual repairs to Sultan's Canal.

I have the honor to forward herewith a bill for the work noted in the margin, executed in the Malabar District, amounting to Rupees 285, and to state that as the Superintending Engineer, 7th Division, does not consider the reason assigned by the Executive Engineer sufficient for not having inspected the work in question during the official year, I think it proper to submit the same for the consideration and orders of Government with reference to Chapter IV, paragraph 13 of the New Code.

No. 154. ORDER THEREON, 8th November 1864, No. 3,206.

The Government sanction the bill, which is reported by the Superintending Engineer to be correct; but they must remark that the reason assigned by Captain Vertue for omitting to inspect the work is by no means satisfactory, as he appears to have postponed his examination to the last moment, when sudden illness is stated to have prevented his visiting the Cherckal Taluq.
