No. 206. ORDER THEREON, 11th November 1861, No. 3,229.

The Governor in Council sanctions the three estimates for tools and plant submitted with the foregoing papers, and directs that their cost be met from the current year's assignment for "Stores to be purchased in India;" but as no adequate separate provision has been made this year under that head, a corresponding amount will be transferred thereto from the estimates and

allotments for the works on which the tools may be used. A list of these works, with the amount of their estimates, and the sum to be deducted from each should be furnished for the information of Government.
