*Proceedings of the Madras Government, Public Department,
2nd November 1861.*

No. 22. Read the following letter from J. SHAW, Esq., Officiating Principal Inspector General, Medical Department, Fort Saint George; to the Secretary to Government, Military Department, Fort Saint George, dated 21st October 1861, No. 361.

I take the liberty of submitting, for the consideration of Government, an extract of a letter from the Deputy Inspector General of Hospitals, Southern Division, bringing to notice the inconveniences and privations to which Medical subordinates, detailed for Civil duties on the Neilgherries, are exposed in the prosecution of their duties.

I quite concur in opinion that quarters should be provided for these men, and that warm clothing, or an extra allowance, to enable them to provide for themselves, should be sanctioned.

Extract of a letter from the Deputy Inspector General of Hospitals, Southern Division, dated 20th October 1861, No. 658.

I take this opportunity of bringing to notice the, in general, want of suitable quarters for Medical subordinates on the hills, and would recommend that each be provided with comfortable quarters, either on the premises to which they may be attached, or so convenient as to prevent risk to health when turning out at night. I also consider an increase of pay requisite to enable these men to provide themselves with suitable clothing and comforts they do not acquire in the low country, the want of these requisites often leads, I fear, to inefficiency in subordinates, and must, in such a climate, render a Native of the plains more or less inefficient, particularly one who is on duty night and day."

No. 23. ORDER THEREON, 2nd November 1861, No. 1256.

Plans and Estimates will be called for in the Department Public Works, for the erection of suitable quarters for the Medical subordinates on the Neilgherries, on the premises of the institutions to which they are severally attached.

2. The Officiating Principal Inspector General, Medical Department, will state what would be the annual cost of supplying the Medical subordinates with warm clothing.
