From

Supp. Eng. by 7th Division

To

Colonel C. R. Cox A.B.

Secretary to Government A.B. W.
The War

Sir,

I have the honor to report on the sub-
ject of salaries and allowances for officers
and subordinates employed in the 7th
and 8th Divisions, as indicated in para 2
of G. O. No. 311 of 28th October.

Captain Kennedy's remuneration
has been fixed at £120 instead of
£150 as proposed by me, from a
misconception on the part of Lieut.
Colonel Hill, or a clerical error in
copying his letter printed with G. O.
No. 311 of 28th October. As Captain
Kennedy has consented to plan and
carry out all the bridges and road
work on the approach from Killybegs
to the timberline, and, furthermore,
to which I should have been old enough
to have been promoted in opposition
to my own proposal, and as it may be
convenient to have his services
available for portion of the winter
or other times near him, I would pro-
pose to remedy the oversight by allow-
ing him the ordinary travelling allow-
ance of an Assistant Engineer, viz
£10 5s per annum. Some reason
on his rendering full value for the
additional cost.

I should propose that it stops

of temporary rank be given to Messrs
 Whanghsay and Ardman, while
 employed in Wyand, or till they ob-
 tained the advanced rank in the
 ordinary course of promotion - After
 Mr Whanghsay would rise from 3rd
 Class Sub Engineer on \$150 with
 \$60 Travelling Allowance to 1st Class on
 \$400 with \$60 Travelling Allowance.
 And Mr Ardman from 2nd Class En-
 gineer on \$250 with \$50 Travelling
 Allowance to 3rd Class Sub Engineer on
 \$150 with \$60 Travelling Allowance.
 All persons employed in Wyand to
 draw \$250 salary with \$30 Travelling
 Allowance, in addition to any special
 salary they may before have been
 entitled to - Each Range to be allow-
 ed a United Accountant on \$100 monthly
 and a Draughtsman on the same salary
 to be available for both Ranges in
 turn - Each day to be paid from
 \$10 and to Engineer double the
 usual Allowance for change of office
 Accommodation, viz \$250, to be given
 on submission of proper Claim and
 Estimates -

Have the honor to be,
 Sir,
 Your most Obedient
 Attendant

employed there.

Noting to the
unhealthiness, the expense
of living - and the difficulties
attendant on travelling in
Nynaad, the Governor
in Council considers it
only fair that some
additional remuneration
should be given to the
Members of the P.W.D.

seeing that
His Excellency is
accordingly pleased to
direct that Master Kennedy,
while employed on the
Pambacherry Isherut work,
shall receive, in addition
to his salary of
Rs. 200 per mensem, the
travelling allowance,
Rs. 80 a month, of the

Asst Engineer, and that,
while the important works
for opening out com-
munications thro' the
plateau are in progress,
an addition of 50 percent
be made from the 1st
Instment to the pay and
travelling allowances of the
Range and other E.O. Officers
and employees of all
descriptions in the Nynaad

The Controller of
M. Works will submit
for the information of
Govt. a statement of the
extra expenditure now
incurred, as a temporary
measure and which it is
believed may be met
