*Proceedings of the Madras Government, Public Works Department,
15th November 1861.*

No. 234. Read the following letter from Lieutenant-Colonel G. W. WALKER, R. E.,
Superintending Engineer, 7th Division, to Colonel C. A. ORR, R. E., Secretary to
Government, Department Public Works, dated Camp Cannanore, 25th October 1861,
No. 152:—

SIR,

1. The undermentioned District roads of Coimbatore having been provided for as follows
in the Income Tax Budget of 1861-65, a source which will cease to be available after this official
year, I have the honor to request permission to re-enter in the Imperial Budgets the former dis-
cretionary allowance of Rupees 5,000, until such time as the state of the Local Funds shall
enable them to stand the additional charge, which is far from being the case at present:—

Item No.	24	...	...	...	Rs.
	24	...	...	...	610
	25	...	...	...	820
	26	...	...	...	650
	28	...	...	...	1,050
	29	...	...	...	300
	30	...	...	...	1,531
	31	...	...	...	1,150

Total... 6,141

all of them having originally been Imperial grants of 1863-64, and previous years.

2. Certain Wynad roads, provided for this year from Income Tax, will come heavily on the
Malabar Local Funds next year, and the Collector intimates his opinion that the line now in
progress to join Malliappooram with the Teror Railway station, should be provided with an
Imperial maintenance allowance. I would therefore solicit permission to re-enter in the Imperial
Budget of 1865-66, the old discretionary grant of Rupees 1,500 in aid of tracks and unmetalled
roads, and the usual Rupees 110 on the mileage of the Teror and Malliappooram road.

No. 235.

ORDER THEREON, 15th November 1861, No. 3,267.

1. The Government authorize provision being made in
the Imperial Budget of 1865-66 for the discretionary grants
Coimbatore 5,000
Malabar 1,500 as per margin.

2. Colonel Walker will be requested to report the source from which the road between
Malliappooram and the Teror Railway station is being constructed, and the amount of the
estimate for the work. He will also state whether he expects that the line will be completed by
the 30th April next. If so, the Government approve of his providing a maintenance allowance for
it at the rate mentioned.
