*Proceedings of the Madras Government, Public Works Department,
15th November 1861.*

No. 302. Read the following letter from Captain F. J. MOBERLY, R. E., Superintending Engineer, S.B. Division, to Colonel C. A. ORR, R. E., Secretary to Government, Department Public Works, dated Madras, 8th November 1861, No. 1,716 :—

SIR,

1 Plan.
1 Abstract estimate.

1. I have the honor to forward a plan and an estimate of Rupees 500, for repairing the

Sub-Magistrate's Cutcherry at Trippattoor, Madura District, countersigned by the Collector in token of approval.

2. The building is in a very dangerous state at present. The whole of the roof will have to be taken down and rebuilt. In consequence of the wall plates having given way, the cross beam has slipped six inches from its place. Additional weight thus being thrown on the verandah, all the pillars gave way, and require to be rebuilt.

3. The estimate amounting to only one-fourth of the value of the building, could be sanctioned by me under the Rules* of this Department; but as there are no funds available for the purpose, it is submitted for the sanction of Government as a special case.

4. This estimate is independent of that for Rupees 310, sanctioned in G. O. No. 2,780, dated 24th September 1861, for converting a part of the building into a Subsidiary Jail.

No. 303. ORDER THEREON, 15th November 1861, No. 3,276.

The Government regret that there are no funds at their disposal for appropriation to the work referred to in this letter.
